The Honorable Roger Hanshaw, Speaker
West Virginia House of Delegates
1900 Kanawha Boulevard, East
Building 1, Room 228-M
Charleston, WV 25301

Dear Speaker Hanshaw:

In order to promote transparency and openness in the legislative process, we would encourage you to video stream ALL committees, especially those meeting in the House Chamber where we already have the capabilities, and look at installing live video feeds in all committee rooms of the House of Delegates. We also encourage you to follow the Senate's lead in archiving floor videos, as well as creating an archive process for audio and video recordings of committee meetings.

Our constituents have requested the video, knowing the committee meetings are only being held in the two rooms, and they are aware that the video capability is available for the House Chamber. Thank you for taking the time to review this matter so that we may let our constituents know your decision.

Sincerely,

WV House of Delegates Democratic Caucus
